## Welcome!

Welcome to Altus Training and thank you for choosing us as your training provider.

Altus Training is a Registered Training Organisation (code 41594) established as part of Altus Traffic Management's commitment to safety and the Traffic Control Industry.

As a leader in Traffic Management we have over 15 years industry experience. We understand industry challenges and the critical need for quality training to ensure not only our own employees but our industry colleagues 'get home safely'.

We engage industry trainers who have extensive experience in Traffic Management and Traffic Control and our courses are delivered in accordance to state legislation to ensure your learning is tailored to the state in which you work. We have a strong commitment to safety at Altus Training; safety is the bedrock of our culture and a top priority in our training delivery.

The team at Altus will provide you with advice, support and assistance throughout your course and if you have any questions or concerns regarding any aspect of the course please do not hesitate to contact us.

We look forward to working with you and wish you every success.

## Introduction

At Altus Training you will learn directly from the industry leaders.

We provide the most up-to-date practices, techniques and equipment and the highest standard of training delivery.

We use a blended learning approach so our learners get as much time as possible practicing the hands-on skills needed to be safe and successful in the Traffic Management and Civil Construction industry.

We offer nationally accredited traffic management training short courses that align to each state's licensing requirements as well as a nationally recognised qualification.

The trainers at Altus Training have extensive industry experience and are dedicated to providing you a high standard of support and guidance in your course. Please feel free to approach your trainer anytime throughout your course as they will be more than happy to assist you.

## Accredited Training

Accredited training leads to a formal qualification recognised under the AQF (Australian Qualifications Framework). These qualifications are recognised across Australia in line with the common standards and assessment guidelines outlined in national training packages.

Accredited Qualifications and Statements of Attainment can only be issued by Registered Training Organisations (RTOs) or TAFEs. Altus Training is a Registered Training Organisation regulated by the Australian Standards and Quality Authority (ASQA).

As an RTO, Altus Training must comply with the Standards for Registered Training Organisations (RTOs) 2015 and with the National Vocational Education and Training Regulator Act 2011 and the VET Quality Framework.

We are both responsible and committed to the quality of our training and assessment in compliance with these Standards and for the issuance of the AQF certification documentation. Details of our registration can be found on the National Register at [www.training.gov.au](http://www.training.gov.au).

## Competency Based Training

The underlying principle of competency-based training is that competency is recognised based on what a person can do and what they know, not how long they have spent learning.

This makes competency-based training very flexible with regard to how long it takes to gain competency and where the training can occur.

The support given and the opportunities that are provided to learn and practice new skills will directly influence the time needed to complete unit(s) of competency.

## What do we Train?

### Short Courses

Altus Training offer the following nationally accredited traffic management training short courses that align to state licensing requirements. We are an approved training provider for Main Roads in Western Australia, Transport & Main Roads in Queensland, Dept of Planning, Transport & Infrastructure in South Australia, SafeWork NSW and VicRoads in Victoria and are also approved to deliver in Tasmania.

More information on our courses can be found on our website [www.altustraining.com.au](http://www.altustraining.com.au).

## Code of Practice

The Code of Practice requires Altus Training to implement policies and management practices that maintain high professional standards in regard to the delivery of your education which safeguards the educational interests and welfare of you as a student.

Altus Training is dedicated to ensuring that we provide only the highest quality of training and that you achieve your maximum potential as a result of your training.

## Our Vision

It is our mission to ensure our students and clients are equipped with the skills and knowledge to be safe in the workplace and that everyone gets home safely.

## Code of Conduct

As a student of Altus, you are required to follow a Code of Conduct at all times and are expected to treat fellow students, your course trainer and Altus Training staff with respect and without prejudice and discrimination. Failure to follow the Code of Conduct may see disciplinary actions implemented and as such may involve the cancellation of your training with Altus.

You have the right to be treated with respect from others, to be treated fairly and without discrimination, regardless of religious, cultural, racial and sexual differences, age, disability or socio-economic status. If you feel that you have been treated unfairly or have a complaint that you wish to lodge, please refer to the Complaints and Appeals section as outlined in this handbook and follow the steps as outlined.

## Equal Opportunity, Sexual Harassment and Discrimination

Altus Training promotes an equal and safe environment at all times for their students which must be free from discrimination and sexual harassment.

“It is against the law for someone to treat you unfairly (discriminate) or harass (hassle or pick on) because of your actual or assumed status e.g. age, race, religion, etc.” (Equal Opportunity Commission).

**Discrimination** is the unfair treatment based on a personal characteristic protected by the law. There are two forms of discrimination:

**Direct discrimination** happens when a person treats someone who has one of the personal characteristics protected by the law less favourably than someone who doesn't have that personal characteristic.

**Indirect discrimination** happens when treating everybody the same way will be unfair.

**Sexual harassment** is behaviour of a sexual nature that is unwelcome, unasked for and unreturned. If a reasonable person would have foreseen that the behaviour would offend, humiliate (put down) or intimidate (threaten or scare) the other person, then the law says it will be sexual harassment.

Altus Training strictly enforces an environment of equal opportunity and therefore, request that you give everyone a fair go. As a student of Altus Training this means that you need to treat others including fellow class colleagues, your trainer and Altus Training staff members fairly regardless of their race, age, or other personal characteristics protected by law.

## Access and Equity

Altus Training promotes the principles of access and equity through all components of training and assessment services that we have to offer. Altus Training have a strong emphasis in ensuring that reasonable adjustment is provided to students who are disadvantaged or require additional assistance. Whether it is through counselling, additional support from your trainer or flexible scheduling for assessment, Altus Training has different options to suit your needs and requirements. No matter what your status is or the background you come from, you will be assisted to the best of our ability and treated equal throughout all phases of your training.

Staff and students of Altus Training are required to comply with access and equity requirements at all times. If you have any suggestions as to how we can improve our performance with respect to access and equity, or if you would like further information regarding the access and equity principles, please contact the RTO Coordinator on 1300 725 483.

## Privacy and Confidentiality

We respect the privacy of our students and are committed to protecting your personal information. Information collected at the pre-training review and from our enrolment form will only be used to assist with your learning, for our records and for any legislative or regulatory requirement for Registered Training Organisations.

Altus Training will collect, hold, use and disclose your personal information in accordance with the *Privacy Act 1988* (Cth) and all Altus Training policies and protocols (including those published on Altus' website at [www.altustraining.com.au](http://www.altustraining.com.au)).

Once training begins, Altus Training will keep records of assessments and any Statements of Attainment issued. Other information that may be retained includes any correspondence or documents provided by the student. Only personal information that has been provided to us, or where a third party has been authorised to provide to us, is retained.

All these records may be seen by government auditors who also act under a code of conduct which means they will keep all information confidential. Altus Training will comply with relevant legislation in the collection and storage of, and access to, personal information.

In some cases, as required by law and as required by the Australian Skills Quality Authority (ASQA) Altus Training will need to make information available to others, such as the Australian Government's State Territory and Commonwealth Agencies.

Should a student not agree to their information being shared Altus Training may not be able to provide training and assessment services to that person.

Altus Training will not sell or distribute student's information to any other persons without the written consent of the student.

Please refer to attachment A for a copy of our student **privacy notice** and please refer to our website for a copy of our **privacy policy**.

## Accessing your Student file

It is a requirement of the Australian Skills Quality Authority that you are able to access personal information held by Altus Training pertaining to your progress.

You have the right to view your student file and if you would like to do so, please complete the 'RTO-SF801-AU - Access to Records Request Form' which can be obtained by contacting us on 1300 725 483 or email [info@altustraining.com.au](mailto:info@altustraining.com.au).

The RTO Coordinator will contact you within 5 working days upon receipt of the 'RTO-SF801-AU - Access to Records Request Form' to arrange a mutually convenient time for you to come into the office and view your file.

Please note that you will need to provide photo identification when you come into the office to view your file.

Altus Training will not disclose any of your personal information if requested by a third party or another training organisation upon request. If a third-party requests information, you will be notified by one of our staff members and if you approve to release your personal details, then your written consent will be required.

## Fees and Charges

Fees for training vary depending on the course and are subject to change.

Before you enrol in a course, you should expect to be informed of:

- What you will have to pay, as provided in course flyers and on our website
- Payment terms and due dates
- About any conditions that may apply to refunds, reassessments and repeating aspects of the course (readiness to progress), as provided in this handbook.

Payment is required in full at the time of enrolment where booking is made online.

If you are invoiced for your course, our payment terms are strictly 7-days.

Altus Traffic employees may be eligible for a discount and may pay by payroll deduction as arranged by Altus Traffic.

## CTF Funding (Western Australia only)

Learners in Western Australia may be eligible for a Construction Training Fund Subsidy to support training of eligible workers in the construction industry.

We acknowledge the support of the Construction Training Fund in reducing the costs of training for eligible workers.

For more information and to check your eligibility please refer to [www.bcitf.org](http://www.bcitf.org).

## CSQ Funding (Queensland only)

Learners in Queensland may be eligible for funding under the Construction Skills Queensland (CSQ) Program to support the cost of training eligible construction industry workers.

We acknowledge the support of Construction Skills Queensland in reducing the costs of training for eligible workers.

For more information and to check your eligibility please refer to our funding page on our website <https://www.altustraining.com.au/funding>.

## CITB Funding (South Australia only)

Learners in South Australia may be eligible for CITB (Construction Industry Training Board) funding for eligible workers in the construction industry.

We acknowledge the support the CITB in South Australia in reducing the costs of training for eligible workers.

For more information please refer to our South Australian course pages on on our website <https://www.altustraining.com.au/funding>.

## Cancellation, Transfer & Refund Policy

If, due to insufficient participant numbers or for any unforeseen reason which is outside of our control, Altus Training reserves the right to cancel or defer any course and will make all reasonable effort to promptly notify you.

Where courses are rescheduled individuals will be booked onto the next available course or if not suitable a full refund will be offered.

If for some reason you are unable to attend your course you must notify Altus Training immediately.

## Individual Students

Cancellations for individual students (not part of an in-house designated course) will be accepted if Altus Training is formally notified in writing more than seven (7) days prior to the course date. In this instance, Altus Training will refund the cost of the course, minus a \$20.00 per student booking service fee.

Cancellations received within seven (7) days of the course date but more than two (2) days prior to the date of training will incur a 50% fee of the total course cost, plus any other costs incurred by Altus Training.

Cancellations received within two (2) days of course commencement and no-shows will result in a forfeit of total course cost, plus any other costs incurred by Altus Training.

Course dates can be transferred where Altus Training has been formally notified more than seven (7) days prior to the course date. Transfers received within seven (7) days of the course date will be assessed on a case by case basis. The first transfer will attract a minimum fee of \$20.00 per student. All subsequent transfers will attract a minimum fee of \$30.00 per student. Transfers cannot occur after the date of the course.

Cancellation Scenario	Policy Summary
Notified in writing more than 7 days prior to course date	Course Fee Refunded minus \$20 per head booking service fee
Cancellation within 7 days but more than 2 days prior to course	50% fee of the total course cost plus any other costs incurred
Cancellations received within 2 days of course commencement	Forfeit of the total course cost
Course No-Shows – failure to turn up to the course	Forfeit of the total course cost

If you wish to apply for a refund please obtain a copy of the 'RTO-SF802-AU Application for Refund' form which can be obtained via our website [www.altustraining.com.au](http://www.altustraining.com.au). The application for refund may take up to 20 working days to be processed upon receipt of the form.

## In-House Dedicated Courses

Unless otherwise agreed to in writing cancellation of in-house dedicated (client) courses will be accepted if the course is cancelled greater than ten (10) business days prior to the course commencement without a cancellation fee.

If in-house dedicated courses are cancelled less than or equal to ten (10) business days prior to the course commencement the agreed full course fee will remain payable.

Clients are able to replace a booked participant with another participant on an in-house dedicated course with no cancellation fee up to the day before the course.

If for some reason a candidate is unable to attend the in-house dedicated course or assessment activity but fails to complete it full charges will apply unless agreed otherwise with Altus Training.

Refunds will not be issued if a participant begins an in-house dedicated course or assessment activity but fails to complete it and full charges will apply unless agreed otherwise with Altus Training.

## General

If for any unforeseen circumstances there are changes to the agreed services, Altus Training will advise the learner(s) as soon as practicable, including in relation to any change in ownership or training course delivery. We also encourage learners to be aware of their rights as a consumer under consumer law.

In the event that Altus Training closes or are no longer able to provide the training and assessment services as initially agreed between Altus Training and the student, then Altus Training will:

1. Arrange for agreed training and assessment to be completed through another RTO (fees may be incurred). Prior to the transfers students will be formally notified of the arrangements including any refund of fees that may be applicable or
2. Provide a pro-rata based on hours completed to date for units that have been commenced prior to the course being withdrawn.

See also sections “Readiness to Progress” and “Reassessment fees” in this handbook.

## Additional Costs

Course marketing materials detail all equipment or resources you will need to provide as part of your course. If you cancel or withdraw from your study, then you will not be entitled to a refund for these equipment and/or resources.

## Enrolling in a Course at Altus Training

### Prior to Booking

It is a priority for Altus Training that you are adequately informed about your training options prior to booking and enrolling into one of our courses. Information is available on our website and we welcome a phone call or email with any specific questions.

We also encourage learners to review your state legislation in relation to traffic control and traffic management, links of which can be found at the back of this document. Specifically, it is essential that you review information provided regarding pre-requisites and entry requirements to ensure you will be suitable to the job outcomes associated with your preferred training pathway.

We also have a student self-assessment tool which is helpful for candidates interested in traffic control to further understand the requirements of becoming a traffic controller which can be found on our traffic controller course pages on our website.

### Booking a Course

Once you are ready to book a course you can book online or by calling us on 1300725483.

To book a short course online visit our website [www.altustraining.com.au](http://www.altustraining.com.au) and review and select the course of interest. In the “Upcoming Workshops” area select “Book Now” for the course date that you would like to book.

Proceed through the booking process to confirm your short course booking. This booking process includes a payment process supported by online credit card payment and agreement to terms and conditions. Altus employees have an option for payroll deductions as a payment method and can contact us for the discount code.

If at any stage you are unsure on the questions or would like to undertake a phone booking please contact us on 1300725483 or email [info@altustraining.com.au](mailto:info@altustraining.com.au)

Once your booking is confirmed you will receive a booking confirmation email with your course details.

## Course Information

Shortly after receiving your short course booking confirmation email you will receive from Altus additional course information including any pre-work required including a link to our online **enrolment form** and **pre-training review**. These **must** be completed and returned to Altus prior to training. This form will assist us to confirm your suitability for the course and help us to prepare for any needs or support you may require.

### Pre-training review

Our pre-training review will cover items such as the following and we will contact you to discuss where further information is required:

1. What you wish to achieve by undertaking training and the overall outcome upon completion of the training to determine what course would be most suitable for your aspirations, current knowledge and the skills that you require.
2. If there are any special requirements for you to enrol in the course (pre-requisites) and how the delivery and assessment of the training will occur.
3. A Language, Literacy and Numeracy (LL&N) short assessment to confirm you meet the required LLN levels for the course and or if you require any additional support.
4. Flag the option of Credit Transfers (CT) and Recognition of Prior Learning (RPL) application.

If you have any questions regarding this process, you are welcome to contact us and we will arrange a time to discuss.

### Enrolment form

The information on the online enrolment form will enable us to enrol you in the course and helps to further inform us and prepare for any needs or support required.

The enrolment form also seeks to identify any disabilities, impairments' or long-term conditions you may have and included in Appendix B of this handbook is further information to assist you to answer this question.

## Course Attendance

Upon arrival at your short course, your trainer/assessor will confirm with you details provided at booking and will discuss any items related to your booking, support needs, pre-entry requirements, etc.

You will be required to bring proof of identity, USI number (refer to USI section for further information) and any required cards or documentation as requested in your course booking information such as current tickets, white cards, third-party reports, identification, etc.

## Unique Student Identifier (USI)

From 1 January 2015, all Australians who undertake vocational education and training must hold a unique student identifier (USI). This means that if you are planning to study with Altus Training (either as a new or continuing student) you must have a USI or you won't be able to receive your Statement of Attainment once you complete your training. The introduction of the USI is part of

the way that the Australian Government is improving the training sector. It ensures people can obtain a completed record of their enrolments and achievements from a single online source.

If you don't provide Altus Training with your USI at enrolment we cannot by law issue you with a Statement of Attainment for your training. Please visit [www.usi.gov.au](http://www.usi.gov.au) for a step by step guide on how to access or set up your USI.

## Language, Literacy & Numeracy

Altus Training recognises that not all students learn in the same way and that students will also have differing levels of Language, Literacy and Numeracy (LLN) skills. It is important to us that our students are able to access and participate in training without being disadvantaged by their LLN skills.

As such as part of our enrolment process we seek to identify any LLN need you may have as a student and to assist you in reducing the impact this may have on your studies with Altus Training. As a student you will be asked to complete a short LLN assessment as part of the pre-training review which will help us to determine how best to assist you.

This assessment will enable us to determine whether additional support, if any, will be required to assist you to complete your course. Support may be provided to you in one of the following ways:

- Additional one-on-one time with the trainer/assessor
- Modification of learning strategies
- Adjusting the way you may be assessed for example, verbal assessment and scribing instead of written questioning
- Support with ITC requirements.

We may also suggest support and referral to external language, literacy and numeracy programs and other training programs. The following agencies are able to provide language, literacy and numeracy support including a range of courses and individual support services. Please contact the respective agency below to access these services (additional costs may apply):

- AMES Australia 13 26 37 – [www.ames.net.au](http://www.ames.net.au)
- Reading Writing Hotline 1300 655 506 – [www.readingwritinghotline.edu.au](http://www.readingwritinghotline.edu.au)

If you feel that you may require additional support throughout your course regarding language, literacy and numeracy or ITC please contact our RTO Coordinator on 1300 725 483 or please advise your trainer/assessor.

## Readiness to Progress

Your trainer/assessor will work with you to ensure you only move onto the next stage of your training when you are fully ready.

Our courses vary in structure and modes of delivery and often involve pre-work, classroom theory knowledge, practical and simulated exercises and live practical activities and assessments to enable learners to embed learning.

## Assessment timeframes

You will be given plenty of notice from your trainer regarding the time and form of the assessment/s you are required to complete. You will not be expected to sit an assessment that you have not been able to prepare for.

During your training all learners will be taking part in practical learning exercises. The trainer will record if these activities have been completed to a satisfactory level. Before progressing to assessment learners will also be asked to evaluate their readiness to progress to assessments, both will be taken into consideration when evaluating your readiness to progress.

If you are not ready to progress to the assessment and you have participated in the course, you will be scheduled onto the next available face to face course to repeat the course. This will be free of charge in the first instance, subsequent re-attendances will be charged at 50% of the course fee up to a maximum of 3 times.

## Re-assessment Fees

**Written Assessment** - A maximum of 3 attempts for written assessments are allowed, each 'Not Satisfactory' attempt will be reviewed by the trainer/assessor and areas to focus on for further study will be recommended. If after the 3rd attempt the learner still cannot complete the written assessment satisfactorily the learner will be required to complete the course and pay the course fees again.

**Practical Assessment** - Practical assessments only occur after the satisfactory completion of the written assessment(s). A maximum of 3 attempts for the practical assessments are allowed, each 'Not Satisfactory' attempt will be reviewed by the trainer and areas to focus on for further study will be recommended. If you are not able to satisfactorily complete the practical assessment your trainer will schedule an alternative time for you to reattempt the practical assessment and you will not be charged. Any subsequent reattempts will be charged at 50% course fees due to the nature of the practical tasks and the environment they must take place in.

If after the 3rd attempt the student still cannot complete the practical assessment tasks satisfactorily the student will be required to complete the course and pay the full course fees again.

## Vocational Placement (Queensland)

In Queensland 20-hours of vocational placement is a requirement to successfully complete the Traffic Controller Training Course. Altus Training will arrange and coordinate for student's vocational placement preferably with Altus Traffic.

Vocational Placement (20 hours) is placement on the job at a roadwork site where learners are provided the opportunity to experience a range of practical activities including a significant period of stop-slow traffic control activity under close supervision. Learners can expect to do this within the locality of their training course or as agreed with Altus. This part is to be completed within 3 months of training.

In order to undertake the 20 hours vocational placement students will require appropriate attire and enclosed safety footwear, long work pants, long sleeved shirt and must have their own transport to enable them to get to placement sites as public transport is not always available.

As a student undertaking vocational placement you will be required to comply with all reasonable workplace rules and requirements governing safety and behaviour and carry out all reasonable and lawful directions of your work placement host and perform work to the best of your abilities.

If there is a breach of workplace rules and requirements governing safety and behaviour and if the learner places the host organisation or Altus Training at risk this may result in the learner being stood down from the vocational placement site. Altus Training will review such a situation with the host and learner which may result in the learner being required to complete the course again or their course being cancelled.

During vocational placement you will complete a vocational placement logbook and will undertake a final assessment with your trainer/assessor on-site. You will be supervised in accordance to legislative requirements and the host's policies and procedures to ensure safety first. For more information on vocational placement please ask your trainer/assessor or contact our RTO Coordinator on 1300 725 483.

## Vehicle Use

In some Altus courses such as Operate a TMA learners may be required to drive an Altus Traffic vehicle. Where this is the case learners will be asked to adhere to the Altus Traffic Vehicle Policy to exercise due care and responsibility for vehicles when operating or occupying a vehicle for training purposes.

Learners will be required to provide their drivers licence of a suitable class to drive the vehicle required i.e. a UTE or truck and learners will be required to sign a declaration to acknowledge the above requirements. For a copy of this document please contact the RTO Coordinator on 1300 725 483.

## Recognition of Prior Learning (RPL) Policy

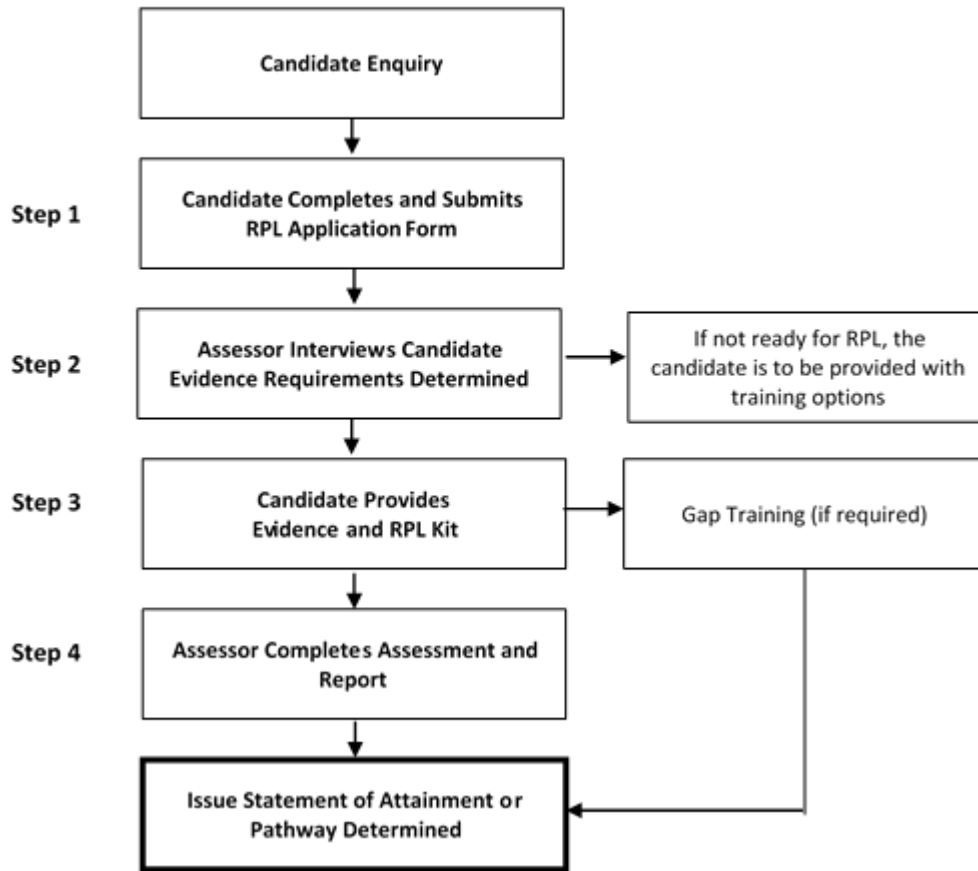

If you have had prior experience and/or learning in relation to the unit of competencies outlined in your chosen course, then you may be eligible to apply for Recognition of Prior Learning (RPL). You can discuss and apply for RPL by contacting the RTO Coordinator on 1300 725 483.

Due to the nature of traffic control and traffic management courses i.e. they provide the Statement of Attainment to apply for a licence or accreditation to work as a traffic controller, state jurisdiction applies and there are circumstances where the best and required learning pathway is to undertake a refresher program or full course rather than RPL.

Where RPL is the pathway, Altus Training will assess each individual's circumstances, skills, experience and knowledge. You will be required to supply supporting evidence which may include your resume, work references, job docket, worksite paperwork, position description or statement of duty. This will form part of your RPL portfolio which will be assessed by Altus Training.

Students seeking RPL are provided with a copy of an RPL application form. Our Trainer/Assessors will assist in the process of understanding RPL, gathering evidence and demonstrating competence in conjunction with the completion of an RPL kit and the collection of an evidence portfolio. Our RPL process is as follows:

## RPL Process

- ✓ Outline on the application form the details of your past experience relevant to your training course.
- ✓ You are asked to attend an interview with an appropriately skilled course (RPL) Assessor who will talk to you about your current competency. The Assessor will determine the most appropriate method of verifying the competencies according to the assessment criteria in the RPL kit.
- ✓ Submit a portfolio of evidence and RPL kit and the Assessor will assess your current competence against the performance criteria, skills and knowledge of the unit or module being sought.
- ✓ An assessment report is provided, where current competence is not established, a recommendation for gap training is included. You may be asked to provide additional information or attend a second interview at a later date.

Students who meet the entry and RPL requirements should be able to obtain RPL certification.

Applicants may appeal any decision through the appeals procedure - refer to the Complaints and Appeals section of this student handbook.

If you are found to not meet the RPL requirements you should be able to enrol into the associated course provided you meet the course entry requirements.

Fees for RPL will be charged upon enrolment which will occur post your interview with the assessor. RPL fees are generally equivalent to our course fees as published on our website. For further information please contact our RTO Coordinator on 1300 725 483.

## Credit Transfer

If you have completed formal study at another Registered Training Organisation, then you may be eligible to receive a Credit Transfer/s for the unit/s of competency previously completed. If you wish to apply for a Credit Transfer, you will need to submit a copy of a certified Transcript or Statement of Attainment along with a copy of Altus' Credit Transfer Application form which can be obtained by contacting the RTO Coordinator on 1300 725 483.

You can either submit your application to your trainer or via post to the RTO Coordinator at Altus Training.

The process of National Recognition will be completed within 14 working days from receipt of application where you will receive an email notifying you of the outcome of your application.

If the evidence provided is not equivalent to the required learning outcomes, competency outcomes, or standards in a unit of competency, then the student will be offered the opportunity to complete an RPL assessment as another method towards achieving competency.

It is important to note that credit transfer may not be available to students where regulatory requirements and or licencing conditions (including industry licencing schemes) prevent this from occurring. This is applicable to licencing requirements for the traffic control sector. If you have any questions or queries regarding credit transfer please discuss with your Trainer or contact Altus Training directly.

## Plagiarism and Cheating

Plagiarism involves using the work of another person and presenting it as your own. Any of the following acts constitutes plagiarism unless the source of each quotation or piece of borrowed material is clearly acknowledged:

- copying out part(s) of any document or audio-visual material (including computer based material);
- using or extracting another person's concepts, experimental results, or conclusions;
- summarising another person's work;
- in an assignment where there was collaborative preparatory work, submitting substantially the same final version of any material as another student.

Cheating involves copying another person's work as your own:

- in an assessment where there was collaborative preparatory work, submitting substantially the same final version of any material as another student.

If a staff member at Altus Training suspects that you are plagiarising or cheating, they are required to report this to the General Manager.

After discussion, if the General Manager agrees that the case warrants more than a warning, then you will be informed in writing of the nature of the act and you will be given an opportunity to respond in writing.

Depending on your written response, the General Manager will decide whether the case of plagiarism or cheating is evident and whether any penalty/s need to be issued to you.

If you are found to have plagiarised or cheated, you may be required to:

1. Re-complete and re-submit the assessment.
2. If your second submission is still found to contain plagiarism or evidence of cheating, then you will be withdrawn from the training program immediately.

If you are not satisfied with the final outcome, you have the right to appeal the decision by following the complaints and appeals procedure as outlined in this handbook.

Altus Training treats plagiarism as a serious matter and disciplinary action will be enforced if you are found to have plagiarised upon submission of your assessments.

## Issuing Award upon Completion of your Course

Once you have successfully completed all of the assessment requirements of your short course, you will be issued with a Statement of Attainment and any accreditation cards applicable for the course you have completed within 30 calendar days from completion of your course, providing all agreed fees are paid and you have provided your USI number.

Once you have successfully completed all of the assessment requirements of your Qualification, you will be issued with a Certificate and any accreditation cards applicable for the course you have completed within 30 calendar days from completion of your course, providing all agreed fees are paid and you have provided your USI number.

Altus Training issues electronic Statements of Attainment and Certificates if requested by the Student can issue a printed Statement of Attainment/Certificate for a fee of \$10 including postage and handling. Accreditation cards and accreditation certificates will be posted to you if applicable to the course you are completing.

If you require a replacement Statement of Attainment or Certificate and this can be provided electronically there will be no charge, if you require a printed replacement copy there will be a fee of \$10.

You must complete the 'RTO-SF814-AU Replacement Certificate SOA Request' form which can be obtained upon request. Should you also require a re-issue of an accreditation card there will be an additional \$10 charge.

The form can be submitted via email to [info@altustraining.com.au](mailto:info@altustraining.com.au) or by post to Altus Training, Level 1/660 Lorimer St, Port Melbourne VIC 3207. You must provide a copy of your ID with the request form to confirm your identity.

Please allow up to 10 working days upon receipt of the request form for your request to be processed.

Students are entitled, at no additional cost, to a formal Statement of Attainment on withdrawal, cancellation or transfer, prior to completing the course, provided that the student has been deemed competent and paid in full for the tuition related to the unit/s of competency to be shown on the Statement of Attainment.

## Pathways

Upon successful completion of your course, you may wish to further develop your skills and knowledge and enrol into another short course or qualification that is relevant to your chosen field of interest. Your trainer can provide you with industry specific pathways and some ideas on the options available.

## Reasonable Adjustment

Altus Training have a strong emphasis on ensuring that reasonable adjustment is provided to students who are disadvantaged or require additional assistance.

Altus Training will allow reasonable adjustments to assessment tools ensuring the integrity of the units are preserved. Individual learning plans will be developed for learners who require adjustments.

Examples of reasonable adjustment in assessment include:

- Large print materials
- Hearing loop, signing or placement for lip reading
- Substitution of an oral assessment task for a written one and vice versa
- Support to scribe answers for written assessments
- Provision of extra time
- Flexible attendance.

If you would like more information regarding reasonable adjustments, please contact the RTO Coordinator on 1300 725 483.

## Student Support Services

Altus Training acknowledges that each student is an individual and therefore their individual circumstances will be unique to them. Altus Training is dedicated to ensuring that all students have every reasonable opportunity to complete their course.

As outlined in our enrolment process each student is required to complete our pre-training review which helps us to identify and understand your needs so we can provide you with the support you may require.

If you do require additional assistance with your training, please approach your trainer. Alternatively, Altus Training has nominated the RTO Coordinator to provide student support. The RTO Coordinator can be contacted between 9am-5pm AEST Monday to Friday where you can make an appointment to discuss the support you require.

Although Altus Training's training depots and facilities are well located and easily accessible by public transport, students are advised to take all practicable steps to ensure their own safety at all times especially where sessions operate after hours and whilst on vocational placement. Please note the following in relation to student safety:

- All facilities have off street parking for students, however spaces are limited
- Private vehicles are to be parked in the visitor's car park or on the side street
- All students are to report to reception
- The supplied high visibility vests are to be worn during all practical activities and whilst moving through the depot outside the classroom
- Safety gloves are to be worn during all practical activities and assessment and should be provided by the student
- All safety signs are to be strictly followed (including speed limits, designated walk areas, smoking areas, PPE requirements etc.)
- Please do your part and ensure the training centre is kept clean and tidy
- Fighting, horseplay, practical jokes and rowdiness will not be tolerated on site
- Altus Training does not require students to attend scheduled training sessions for more than eight hours in any one day.

If there is a breach of workplace rules and requirements governing safety and behaviour and if the learner places the host organisation (during vocational placement), Altus Training or others at risk this may result in the learner's course being cancelled.

## Occupational Health and Safety

While Altus Training will ensure that its premises meet the Australian Occupational Health and Safety guidelines, students must take all practicable steps to ensure their own safety while on site.

Accidents, incidents or hazards concerning students which occur within Altus Training premises and training sites must be reported to personnel or trainers concerned immediately.

## Public Health Emergencies

During periods of public health emergencies such as Coronavirus and Flu Season students, trainers and staff must follow the Australian Federal and State Government Health Guidelines and protocols put in place by Altus Training for your protection.

This includes students agreeing to course safety guidelines such as maintaining social distancing, practicing good hygiene and notifying your trainer/assessor should you become unwell and trainers conducting Risk Assessments at the commencement of each course.

## Emergencies and Evacuations

In the event where Altus Training's premises need to be evacuated students not in training sessions must follow instructions from Altus staff.

In the event of an emergency where students are receiving training in the classroom they must follow the procedures as instructed by their trainers.

Students refusing to abide by Altus emergencies and evacuation procedures will be regarded as student misbehaviour and subjected to disciplinary action in accordance as determined by management.

### Privacy Notice

#### Why we collect your personal information

As a registered training organisation (RTO), we collect your personal information so we can process and manage your enrolment in a vocational education and training (VET) course with us.

If a student does not provide their personal information Altus Training will not be able to enrol them as a student.

If a student does not agree to their information being shared Altus Training may not be able to provide training and assessment services.

#### How we use your personal information

We use your personal information to enable us to deliver VET courses to you, and otherwise, as needed, to comply with our obligations as an RTO.

#### How we disclose your personal information

We are required by law (under the National Vocational Education and Training Regulator Act 2011 (Cth) (NVETR Act)) to disclose the personal information we collect about you to the National VET Data Collection kept by the National Centre for Vocational Education Research Ltd (NCVER). The NCVER is responsible for collecting, managing, analysing and communicating research and statistics about the Australian VET sector.

We are also authorised by law (under the NVETR Act) to disclose your personal information to:

### Disability Supplement

#### Introduction

The purpose of the Disability supplement is to provide additional information to assist with answering the disability question on our Enrolment Form.

**If you indicated the presence of a disability, impairment or long-term condition, please select the area(s) in the following list:**

Disability in this context does not include short-term disabling health conditions such as a fractured leg, influenza, or corrected physical conditions such as impaired vision managed by wearing glasses or lenses.

#### '11 — Hearing/deaf'

Hearing impairment is used to refer to a person who has an acquired mild, moderate, severe or profound hearing loss after learning to speak, communicates orally and maximises residual hearing with the assistance of amplification. A person who is deaf has a severe or profound hearing loss from, at, or near birth and mainly relies upon vision to communicate, whether through lip reading, gestures, cued speech, finger spelling and/or sign language.

#### '12 — Physical'

A physical disability affects the mobility or dexterity of a person and may include a total or partial loss of a part of the body. A physical disability may have existed since birth or may be the result of an accident, illness, or injury suffered later in life; for example, amputation, arthritis, cerebral palsy, multiple sclerosis, muscular dystrophy, paraplegia, quadriplegia or post-polio syndrome.

#### '13 — Intellectual'

In general, the term 'intellectual disability' is used to refer to low general intellectual functioning and difficulties in adaptive behaviour, both of which conditions were manifested before the person reached the age of 18. It may result from infection before or after birth, trauma during birth, or illness.

#### '14 — Learning'

A general term that refers to a heterogeneous group of disorders manifested by significant difficulties in the acquisition and use of listening, speaking, reading, writing, reasoning, or mathematical abilities. These disorders are intrinsic to the individual, presumed to be due to central nervous system dysfunction, and may occur across the life span. Problems in self-regulatory behaviours, social perception, and social interaction may exist with learning disabilities but do not by themselves constitute a learning disability.

#### '15 — Mental illness'

Mental illness refers to a cluster of psychological and physiological symptoms that cause a person suffering or distress and which represent a departure from a person's usual pattern and level of functioning.

#### '16 — Acquired brain impairment'

Acquired brain impairment is injury to the brain that results in deterioration in cognitive, physical, emotional or independent functioning. Acquired brain impairment can occur as a result of trauma, hypoxia, infection, tumour, accidents, violence, substance abuse, degenerative neurological diseases or stroke. These impairments may be either temporary or permanent and cause partial or total disability or psychosocial maladjustment.

#### '17 — Vision'

This covers a partial loss of sight causing difficulties in seeing, up to and including blindness. This may be present from birth or acquired as a result of disease, illness or injury.

#### '18 — Medical condition'

Medical condition is a temporary or permanent condition that may be hereditary, genetically acquired or of unknown origin. The condition may not be obvious or readily identifiable, yet may be mildly or severely debilitating and result in fluctuating levels of wellness and sickness, and/or periods of hospitalisation; for example, HIV/AIDS, cancer, chronic fatigue syndrome, Crohn's disease, cystic fibrosis, asthma or diabetes.

#### '19 — Other'

A disability, impairment or long-term condition which is not suitably described by one or several disability types in combination. Autism spectrum disorders are reported under this category.
